Summary

With over 15 years of experience as a Business and Investment Management Advisor, I have built a career as an entrepreneur, strategist, and financial modeling expert, specializing in M&A transactions, corporate management, and corporate finance. I work with high-growth, innovative companies worldwide, helping them secure financing solutions and execute successful growth and scale-up strategies.

My expertise lies in developing sustainable growth strategies for forward-thinking businesses that are driven by environmental and ethical values. Having worked at boutique growth and scale advisory firms, I have gained hands-on experience supporting startups and enterprises in Turkey and internationally, particularly those at the scaling stage.

I have advised companies across a diverse range of industries, including:

Pharma & Biotech
Education
Renewable Energy & CleanTech
FinTech & HealthTech
AgriTech & REDD+ Projects
IT & Digital Transformation
Hospitality, Real Estate & Retail

With a legal and financial advisory background, I provide strategic guidance on cross-border investments, corporate structuring, and financial optimization, ensuring businesses achieve long-term success while maintaining compliance and sustainability.
